Gray Davis
Governor

TO: Interested Parties

FROM: Samuel Unger
TMDL Unit 2 Chief, Regional Programs Section

DATE: February 4, 2002

SUBJECT: INVITATION TO PUBLIC MEETING
MCGRATH BEACH COLIFORM TMDL

A public meeting is planned to discuss options for development for a TMDL for coliform and beach closures in the McGrath Beach area. The meeting will discuss the status of ongoing quality assessment of coastal water along the Ventura County coastline from Surfer's Knoll to Mandalay Beach, including McGrath Lake, and approaches for procuring and analyzing data, assessing sources, modeling the watershed and allocating loads. All participants are invited to provide comments regarding development of the McGrath Beach TMDL. The meeting will be held at the following time and location:

McGrath Beach Coliform TMDL Planning Meeting

Friday, February 22, 2002; 10:00 AM to 12:00 PM

**Ventura County Administration Building, Lower Plaza Assembly Room
(Below the escalator from the main lobby)
800 South Victoria Boulevard, Ventura**

Should you be aware of interested parties who are not on the distribution list, please extend an invitation to them to participate in our meeting. If you did not receive an electronic version of this announcement on the mailing date and would like to be included on an electronic mailing list, please send an email with your electronic address to lcarlson@rb4.swrcb.ca.gov. We look forward to your continued participation in our efforts to protect water quality. Please call Samuel Unger at (213) 576-6784 or Lisa Carlson at (213) 576-6690 should you have any questions.

California Environmental Protection Agency

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption
For a list of simple ways to reduce demand and cut your energy costs, see the tips at: <http://www.swrcb.ca.gov/news/echallenge.html>

Recycled Paper

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
